Before a student-athlete can practice or compete, this form must be on file with the Compliance Office **and** the student-athlete must attend a compliance education session unless the student-athlete qualifies for a 14 day grace period exception.

14.1.4.3 Exception – 14-Day Grace Period. A student-athlete who is "trying out" for a team is not required to complete the S-A Statement & Drug Testing Consent Forms until 14 days from the first date the student-athlete engages in countable athletically related activities or before the student-athlete participates in competition, whichever occurs earlier. A try-out cannot take place without a physical being performed or confirmed within the previous 6 months. Compliance must be notified of a try-out on the appropriate Try-out Notice Form.
