Non-Institutional Camp & Clinic Employment Approval

COACHES: In sports other than basketball, an institution's athletic department personnel may serve in any capacity (e.g., counselor, guest lecturer, consultant) in a non-institutional, privately owned camp or clinic, provided the camp or clinic is operated in accordance with restrictions applicable to institutional camps (e.g., open to any and all entrants, no free or reduced admission to or employment of athletics award winners). In football, participation in such camps/clinics is limited to two periods of 15 consecutive days in the months of June and July or any calendar week (Sunday through Saturday) that includes days of those months (e.g., May 28-June 3). The dates of the two 15-day periods must be on file in the Compliance Office.

The camp or clinic is open to any and all entrants (limited only by number, age, grade level and/or gender). The camp or clinic may not select participants on an invitation-only basis or reserve spots for specific prospects.

The camp or clinic is not established, sponsored or conducted by an individual or organization that provides recruiting or scouting services concerning prospects.

The camp or clinic does not employ (even on a voluntary basis) or give free or reduced admission privileges to any high school, preparatory school or two year college athletics award winners or Notre Dame recruits.

The purpose of the camp / clinic is designed to improve overall skills through specialized instruction and is not a tryout camp or combine devoted primarily to agility, flexibility, speed and strength tests.

The camp or clinic does not permit or arrange for a prospect or student-athlete to operate a concession to sell items related to or associated with the camp.

There will be no recruitment activities (e.g., recruitment presentations, highlight videos, posters).

The cost of awards received from the camp or clinic are included in the admission fees charged to the participants of the camp or clinic.

A booster representing Notre Dame's athletics interests is not paying any prospect's expenses to attend the sports camp or clinic.
